FUNDRAISING

Everyone has a reason to celebrate, to recognise and reward, to showcase or to simply surround yourself with a group of friends and family. To enjoy the latest blockbusters, art house, classics, and retrospectives or to use a luxurious, unique, and engaging space to present to your clients or team. At Dendy Cinemas we can accommodate groups of up to 350 people, for a variety of occasions. If your event is a little bit out of the box, we can even tailor-make a package just for you.

BOOKING AVAILABILITIES

Session Times for Group Bookings are released on a Tuesday afternoon for the week commencing Thursday through to the following Wednesday. All Cinema Hires and Private Presentations need to take place within our general programming times so we can accommodate all our sessions throughout the day. Please discuss with our Events Manager if you require an unusual screening time or your screening is going to be longer than a standard movie session. Extra fees may apply. Bookings are not available on Public Holidays. Ask our Events Manager for a list of current and upcoming films.
