BOOKING TYPES

Cinema Hire

Complete hire and use of an auditorium is available and is the perfect venue for corporate presentations, conferences, or private screenings of your own content.

Exclusive Screening

Hire an auditorium for a private screening of an in-season film or a retro favourite. Out-of-season films (i.e. films not in our Now Showing/Coming Soon lists) are subject to approval from the distributor and may incur extra fees.

Gaming Sessions

Split-screen and LAN parties may be a thing of the past, but gaming is bigger and better than ever. Hire a private cinema, grab your console, gather your friends, and get ready for a gaming session you'll never forget. (Wireless controllers recommended.)

Group Bookings

Large groups can book tickets for shared public sessions at discounted rates. T&Cs apply.
