EXTRAS & TECHNICAL

Content

All content must be provided in DCP format, at 24fps, with an aspect ratio of 1998w x 1080h (FLAT) or 2048w x 858h (SCOPE), on a physical drive at least 7 business days prior to the screening, or at least 7 business days prior to the technical test if applicable. Fees apply for late or incorrectly formatted content, and for extra assistance.

Testing

A 15 minute technical test may be organised at least 5 business days prior to the screening free of charge. Additional fees may apply for an extended or additional test.

Presentations & Streaming

HDMI is available in select cinemas for presentations and streaming via laptop. Clients must supply their own laptop with HDMI connectivity and all relevant cables, chargers, and adapters. If you are supplying a Mac laptop you must also supply a VGA adapter. Clients must supply their own internet connection if required eg. hotspot/dongle. All video footage and sound files in your Presentation must be embedded. Please note that DVD/Blu-ray and PowerPoint capability is not available in all cinemas. We do not currently provide Wi-Fi capabilities inside our cinemas.

A technical rehearsal is mandatory for presentations and streaming. The presentation being tested must be the final product that will be used at the event. Please arrange the technical rehearsal with the Events Manager. This must take place at least five business days prior to your event.
